STAFFING & RESOURCING
HR CONSULTING

The recruitment and staffing process begins with extensive planning. Before commencing the actual recruitment and hiring of employees, a business must identify its employee needs, including the type and number of employees it wants and can afford.

Initial planning requires a pragmatic assessment of what a business needs and the type of employees it can attract.

DIGITAL MARKETING

As a 360-degree digital marketing agency,
we provide the following services:

- Analytics and conversion rate optimization
- Content creation and marketing
- Social media
- Email marketing
- Marketing automation SEO

Our mission in this is twofold- first to identify and marshal the right digital instruments and second, train the spotlight on the services that will get them the desired results.
